Dear Magistrate Judge Katz:

We represent Donald J. Trump and 767 Manager, LLC in the above-captioned litigation. On Sunday, February 22, 2009 at 11:18 pm, plaintiffs' attorney, Mr. Relkin, distributed plaintiffs' Amended Complaint to Defendants' counsel via email. As far as we can ascertain, it has not been filed.

We write to Your Honor for two reasons. First, with respect to the motion pending before Your Honor to disqualify our firm, the Amended Complaint makes two changes of some relevance. 767 Manager, LLC has been dropped as a defendant, which moots the pending motion insofar as it applies to that entity, and the final count of the original Complaint based upon an alleged violation of the anti-trust laws has also been dropped.

Second, we consider the Amended Complaint to suffer from the same legal deficiencies as the original Complaint. It is our understanding that Your Honor's December 12,

2008 Order staying our clients' motion to dismiss the original Complaint pending resolution of plaintiffs' motion for disqualification of our firm should apply as well to the Amended Complaint.

Respectfully yours,
